Dear Sir:

Prior to examination, please amend the above-identified application as follows

IN THE CLAIMS:

Please add the following new claims:

--71. The vehicle of claim 1, wherein said interacting means are arranged on a steering wheel of the vehicle.

72. A vehicle including an interactive display system, comprising:
a microprocessor unit capable of providing Internet access;
at least one display coupled to said microprocessor for displaying content obtained through the Internet access; and
interacting means for enabling interaction with said microprocessor to access selectable web sites to obtain content from the web sites.

73. The vehicle of claim 72, wherein said microprocessor unit includes a communications unit arranged to provide wireless communications between said microprocessor unit and Internet portals.

07/10/2002 BALEXAND 00000006 500266 09845709 74. The vehicle of claim 72, wherein said at least one display is a heads-up display.
